The screenshot shows a web browser displaying the AzRolesAdvertiser application. The URL in the address bar is https://www.azadvertiser.net/azrolesadvertiser_all.html. The main content area displays a table with columns for Contributor, Grants full access, effective control plane operations (unique), Actions, NotActions, and count. The table contains one row of data for a contributor with ID b24988ac-6180-42a0-ab88-20f7382dd24c. The Grants full access column is set to False. The effective control plane operations (unique) column shows 15746 operations. The Actions column shows 801 resolved operations and 38 effective operations. The NotActions column shows 809 resolved not operations and 38 effective not operations. The count column shows 204 total count. The table is scrollable, and the right side of the table contains a list of actions and notActions.
